

Portable Toilet Rentals

At Sim Sanitation, we make renting Portable Toilets as convenient as possible. We carry Standard Portable Toilets, ADAs, and Hand Washing Stations.

Our Portable Units are perfect for Weekend Events, such as Weddings, Graduations, Concerts, Sporting Events. as well as long-term construction projects.

We are a locally-owned and operated company that servers Kern & Los Angeles Counties.

Some factors to take into consideration when renting for your event are:

- Head Count
- Whether food & alcohol will be served
- Does the venue come with existing restrooms
- ADA units are roomier and can help those who need easy access
